Admission Rules and Information for Post Graduate Courses in Applied Sciences 2024-2025

1. Institute

Jabalpur Engineering College, Jabalpur was established on 7 July, 1947 when the entire global chess board was witnessing a dramatic change. It was born just a few months before India broke the shackles of British slavery. This illustrious Institution got the distinction of being the Second Engineering College in India and is the premier institution of Engineering Education in Central India. Thanks to the inspired vision of the great pioneering Principal Dr. S.P. Chakravarti.

2. Course Detail (The Post Graduate Programmes in Applied Sciences)

The institute is affiliated to the Rajeev Gandhi Proudyogiki Vishwavidyalaya, Bhopal and offers the following Post Graduate Degree Courses in Applied Sciences:

Master of Science (Applied) Courses in

- (a) Applied Physics
- (b) Applied Chemistry
- (c) Applied Mathematics

3. Seats

Number of seats available in each courses will be 15 (Fifteen).

4. Reservation and Relaxation

16 % seats are reserved for candidates belonging to Scheduled Caste, 20 % seats are reserved for candidates belonging to Scheduled Tribe and 14 % seats are reserved for Other Backward Castes candidates of Madhya Pradesh. A relaxation of 5 % in Minimum Marks in the Qualifying Examination prescribed for admission will be granted to the Scheduled Caste, Scheduled Tribe and other Backward Castes Candidates seeking admission to Master of Science (Applied) Course. Reservation and relaxation will be governed by order of the State Government issued from time to time.

5. Qualification for Admission

5.1 Every applicant for admission to the First semester of M.Sc. Applied Science Courses shall have passed Bachelor of Science (B.Sc. 3YDC) or equivalent examination by University approved by UGC, New Delhi/AIU, New Delhi in appropriate branch with at least 55% marks or equivalent Grade in the aggregate. Candidates belonging to Reserve Categories of Madhya Pradesh will get relaxation in the qualifying marks as per the rules of the Government of Madhya Pradesh.

5.2 As mentioned in para 5.1, here above the fifty five percent marks or equivalent grade at B.Sc. would be calculated by adding the marks of all the three years/six semesters of B.Sc. (3YDC).

5.3 Admission to Applied Science Courses shall also be given to the Engineering Graduates having B.E./B.Tech. Degree with Grade C+ and Grade point 6.0 of this University or equivalent.

Master of Science (Applied) Courses

(a) Applied Physics

Physics as one of the major or main subject in all the examinations for the award of Bachelor of Science degree.

(b) Applied Chemistry

Chemistry as one of the major or main subject in all the examinations for the award of Bachelor of Science degree.

(c) Applied Mathematics

- (i) Mathematics as one of the major or main subject in all the examinations for the award of Bachelor of Science degree.
- (ii) Candidate having Bachelor of Engineering/ Bachelor of Technology degree in any branch may also be considered.

6. Duration of Courses

The Master of Science (Applied) Courses are of Four Semester duration (Note: Running of any course in any of discipline will depend on the availability of number of candidates.)

7. Admission to a Course

Admission to a course will be made as per merit marks of the candidate who are found eligible for admission. Merit lists of the candidate will be prepared on the basis of the marks obtained in the Bachelor of Science examination/Bachelor of Engineering in case of Applied Mathematics.

ON Campus Counselling: ON Campus counselling will take place for candidates in the respective departments. In case of equal marks of two or more candidates rank will be decided on the basis of Date of Birth (older will get preference).

8. How to Apply

Application form and prospectus can be obtained from the account section of the institute (or can be download from the institute website) and submit it to Institute along with demand draft of ₹ 150.00 (One hundred fifty) in the favor of Principal, Jabalpur Engineering College, Jabalpur.

The Candidates will fill up the choice for disciplines in order of the preference which shall not be changed during/after counselling. It is therefore suggested that the choice should be given carefully before submit the application. If candidate is selected in any discipline of any choice opted, up gradation in upper level of choices will be possible only after his/her admission in the college. If candidate does not report for admission his/her candidature will be cancelled.

Candidates of all the courses shall be required to deposit **First Semester fee compulsory at the time of counselling** for their admission, through Demand Draft of ₹ 7,719/ in favor of **Principal, Jabalpur Engineering College, Jabalpur, payable at Jabalpur**. A detail summary of fee is given in fee structure section. Failing to deposit fee at the time of counselling at institute, his/her candidature will be cancelled and seat would be given to next candidate in merit list.

Reserved Category seats will be converted to other category as per rules of Government of Madhya Pradesh during the counselling, if no candidate is available in that category.

9. Cancellation of admission

If a candidate gets his/her admission cancelled **within seven days** after admission, then the amount paid by candidate as admission fee will be refunded back after deducting 10 % of one semester fee. Only Caution Money shall be refunded to the candidates who cancel their admission after this period.

No tuition fee will be refunded after seven days of admission taken.

All the shortlisted candidates in person must reach the counselling venue at prescribed date and time as per counselling schedule.

10. Documents required at the time of counselling

The candidate should bring the following original documents and four passport size photographs and two sets of attested photocopies of all the documents, for the counselling:

- (a) Demand Draft of ₹ 7,719/-in favor of **Principal, Jabalpur Engineering College Jabalpur**, payable at **Jabalpur**.
